

HUNGARIAN PREMIER IS WILLING TO QUIT

Friedrich Offers to Step Down and Out at Request of Allies, Says Dispatch from Budapest.

PROPOSES A NEW MINISTRY

Government to Be Formed Under Minister of Commerce Suggested. Would Include Former Premier.

By The Associated Press

BUDAPEST, Sept. 1 (via Vienna).—The government of Premier Friedrich has offered to step down and out. It is reported that the premier has offered the entire resignation of the entire cabinet, his ministry to be succeeded by one under Franz Heimann, the present minister of commerce.

The new cabinet, according to the reported plan, would include János Pálffy, the former premier; Paul Garami, minister of justice in the Pálffy cabinet; and Karl Fáyay, minister of home affairs in the same cabinet; Martin Lászó, foreign minister in the first Friedrich cabinet; and Stephen Szabó, minister of small farmers in the present Friedrich ministry.

Certain conditions are attached to the offer, according to another source. The entente, it is declared, must recognize and negotiate with the new government an agreement concerning the acknowledged authority of Hungary and permit it to organize a new army and police force. It is stipulated, likewise, that the Rumanians shall gradually leave the country and that while they remain they shall discontinue acts such as the disarming of Hungarian officers and the repatriation of sup-

porters. Reports reached London Sunday from Vienna and Berlin that the allies had presented an ultimatum to Premier Friedrich, demanding his resignation.
